

**TROSSBACH ENTERPRISES , LLC.  
DAMERON , MD.  
---ANNOUNCE---**

**COMPLETION OF RETRO--FIT ROOF PROJECT  
FOR THE "CAPITAL WELDING CO. LLC" OF DAMERON , MD.**

**THE 170,000 SQ. FT. BUILDING'S ROOF, CONSTRUCTED IN THE EARLY 1970'S, WAS BEYOND FURTHER "PATCHING -- AND --CAULKING" THE NUMEROUS AREAS OF LEAKING AND RUSTED OUT INTERIOR GUTTERS.**

**NOW ENJOYING THE SEVERAL ADVANTAGES OF THE "DOUBLE ROOF" RETRO--FITTING SYSTEM ARE OWNERS, JOE BOWLING AND DAVE HARTLEY , AS WELL AS THE EMPLOYEES WHO NO LONGER NEED TO DODGE THE MANY LEAKS .**

**THE TROSSBACH CO. HAD ENJOYED A PRIOR RELATIONSHIP WITH AN OWNER OF CAPITAL WELDING CO. WHILE CONSTRUCTING A LARGE RECREATIONAL FACILITY IN 2004 AND WERE PLEASED TO HAVE THEM CALL ON US TO SOLVE THEIR NUMEROUS ROOF LEAK PROBLEMS.**

**ADDING TO THE COMPLEXITY OF SOLUTION WAS THE PROBLEM OF TWO DIFFERENT ROOF SLOPES , ONE AT 55,000 SQ. FT. OF 2" IN 12" AND ONE OF 115,000 SQ. FT. AT 4" IN 12" SLOPE, JOINED BY INTERIOR GUTTER .**

**TO AVOID INTERRUPTING THEIR BUSINESS AND OPENING THE BUILDING TO POSSIBLE WEATHER DAMAGE, WE SUGGESTED RETRO- FITTING A NEW ROOF DIRECTLY OVER THE OLD BY USING THE WELL KNOWN AND ENGINEERING CERTIFIED, "ROOF HUGGER" SUB PURLIN SYSTEM BY, ROOF HUGGER, INC.**

**THE "ROOF HUGGER SYSTEM" SAVED THE OWNER SIGNIFICANT COST AND LOST TIME OVER THE OLD METHOD OF "TEAR EVERYTHING OFF AND REPLACE" ! WE DESIGNED, FABRICATED AND INSTALLED FRAMING AT THE INTERIOR GUTTER AREAS TO ACCOMMODATE THE LARGER GUTTER AND ADJUST THE TWO DIFFERENT ROOF SLOPES .**

**CONTINUED ON PAGE 2 OF 2.**

**PAGE 2 OF 2 CONTINUED**

**NEW ROOF PANELS WERE "FABRAL" - THRU - FASTENED , GALVALUME "R" STYLE, 12" O.C. RIBS OF 24 GAUGE HI-TENSILE STEEL AND INSTALLED OVER THE OLD "STAR", TYPE 26 GA. "R" .**

**FROM START OF DESIGN TO COMPLETION REQUIRED NEARLY 5 MONTHS, AVERAGING OVER 10,000 S.F. OF COMPLETED ROOF PER WEEK (allowing for rainouts & holidays) .**

**(TROSSBACH ENTERPRISES CONSISTS OF 3 BROTHERS, FRANCIS, LEONARD AND JOE TROSSBACH AND CHRIS MAYOR, ALL OF WHOM WERE INDIVIDUAL CONTRACTORS PRIOR TO FORMING THE NEW PARTNERSHIP IN 2004. THEY HAVE ADDED 4 ADDITIONAL EMPLOYEES TO HANDLE THE GROWING BUSINESS.)**

**ATTACHED ARE , PICS OF THE VARIOUS STAGES OF THE RETRO-FIT SEQUENCE AND OVERALL VIEW OF THE LARGE ROOF SECTIONS AS WELL AS A PIC OF"THE CREW" WHO DID THE ERECTION!**
